                  breathe - - - -
VERSE - Drums - Side stick
                   Dm/F
                                    (G)
Am
   Holy Spirit we long for You,
                                                  Dmajor
   Am
                                                              D9
To come and breathe Your breath of life on us
                         Dm/F
                                    F
                                            (G)
Re-lease Your fire and set me ablaze,
                                    Dmajor
                                                D9 slight build
So I can spread Your fire in the earth
Beat is established -
