**Holy Spirit, You are my friend
You are the one on whom I depend
Holy Spirit, my closest friend
You will be with me through out the end**

**You are the One
So close to me
Leading and guiding
You're a comfort to me
Always there, when I need You to be
Holy Spirit, You're my friend**

**You're there each day
To show me the way
Ever being my friend**

**Leading and guiding
You're a comfort to me
Always there, when I need You to be
Holy Spirit, You're my friend *(repeat 2x's at end)***

**You're my Friend
My closest Friend
You are my Friend
You're my Friend**
