V 1

Lord I long to be
A worshipper for You
In everything I do
Lord give me a clean pure heart
So that my love would flow from a surrendered heart

Like the woman with perfume
As she Poured it out all over You
And gave the best she had
Lord I give all my life to You,
Just pouring out my love for You

Chorus

I just want to love You Lord
I just want to, lay down at Your feet
I just want to worship and adore You my King
My all in all, my everything

I just want to, love You Lord
I just want to, pour my love out on You
May my heart flow out to You, just like a sweet perfume
Giving fragrance of, my love for You (*repeat*)
Ending: My love for You,, my love for You
I just want to love You

V 2

To worship You alone
Is all I want to do
A vessel pure and true
Lord fill me with Your sweet, sweet love
So all my life pours out
Only the fragrance of Your love

Like the love the woman had
As tears ran down her face
As she poured her best perfume
Lord I pour all my heart to you
Like a vessel of love, giving sweet perfume
