Vs 1: Just another morning
Another day to face
I'm tired and feeling lonely
What I need is Your embrace
Seems I'm always in a hurry
Please understand my Friend
I'd love to spend some time
With You, but I'm running late again.
What I need most of all
I don't take time to do
Lord, though I'm busy still
I hear these words from You.

Chorus: In My arms
Spend a few more moments in My arms
I love you so
I'll hold you in My arms, never let you go
In my arms
I know you will find all the love you need
Oh, can't you see
My desire's to hold you in My arms.

Vs. 2 Lying in the darkness
Now another day is through
I've been unfaithful
Lord, I know I've been untrue
Even when I fail, still
I can hear these words from You.

Chorus: In My arms
Spend a few more moments in My arms
I love you so
I'll hold you in My arms never let you go
In My arms
I know you will find all the love you need
Oh, can't you see
My desire's to hold you in My arms
In My arms
In My arms
I long to hold you close within My arms.
