I fall on my knees and cry holy, holy
With all my heart I cry holy, holy
To the Lamb of God, holy is Your name
As I worship You, I cry holy, holy
Laying down my life, I cry holy, holy
To the Lamb of God, holy is Your name

I hear the sound of the heavenly host
Singing holy, holy, holy is Your name
All creation trembles at the mention of Your name
As we sing holy, holy, holy is Your name

To give You my heart, my life
Is not a sufficient sacrifice
Compared to everything, You have given to me
Oh Lord for You suffered and bled for me
So lovingly You carried Your cross to Calvary
Where they nailed You to that tree
So that we might go free

I hear the sound of the heavenly host
Singing holy, holy, holy is Your name

Holy is Your Name
Holy is Your Name
Holy is Your Name
I Fall on My Knees and cry
Holy, holy, holy is the Lamb of God
Righteous, Glorious, Wonderful
Is the Lamb
Prince of Peace, Mighty God, Awesome
Is the Lamb of God
I Fall on my knees and cry holy
