**I'm Yours and You're mine and  
This is love, it's the sweetest kind  
My mind is always on You  
My heart cries out I belong to You**

**How I long to be near You  
When I'm with You I feel renewed  
There is no greater love than this  
Deep joy and heavenly bliss**

**You are the Bridegroom  
I'm am the bride *(repeat)***

*Bridge*

**You are the Bridegroom I'm the bride  
This is love, it's the sweetest kind  
I'll be in love with You  
Everyday, my whole life through  
My love will be there  
Always for You  
You are the Bridegroom  
I am the bride**
